Application to Undertake Shooting and or Archery within a Scout Premises

In order to be able to carry out Archery and or Shooting within the District it is necessary to apply for Authorisation from the District Commissioner. This Application for Authorisation, when granted will be returned to the Group Scout Leader or Person in Charge and a copy will be kept at DHQ for reference. This will then allow the Activity to be carried out at the stated premises. It will then be the responsibility of the Group Scout Leader or Person in Charge to ensure that the activity is carried out in accordance with the relevant Activity Rules as laid down in P.O.R. and Fact Sheets, etc. It should also be noted that only people holding the necessary Activity Permits may Instruct/Supervise the activity and they will be required to produce their Permit prior to undertaking the activity at other camp sites or venues.

The.....(Group) wishes to undertake Archery / Air-Rifle shooting * at(premises).

I,(name) have read the relevant rules in P.O.R. and the relevant Fact Sheets and consider that the stated premises satisfy the requirements.

The equipment being used is the property of(state whether Scout owned or private individual)

and will be usually stored at

I understand that only persons who hold a valid Activity Permit may undertake the activity and that any breach of the Activity Rules may invalidate accident or indemnity insurance.
