

Beavers report 2026

District Beavers have had another great year, and it has been great seeing the beavers have fun.

We attended so many fun events this year:

We held a District Beaver woodland camp. We had a completion where the beavers designed the Theme and badge of camp which Jasmine from 1st Greenford won. The Beavers had a packed weekend, gaining awards. We had canoeing, climbing, shooting, yoga, crafts. Plus, had loads of food and even an ice cream station.

Then we had a Beaver hike at Horsenden Hill in September.

We had a great turnout at the Remembrance Day Parade, and it was wonderful to see.

In December, we attended Hobble Down Health Christmas event, which was a lovely day out, the beavers helped in finding Father Christmas with the elves and got a teddy as an award and then we got to meet the great man himself and got a cheeky early Christmas gift.

It was amazing to see so many Beavers get awarded their Chief Scout's Bronze Award at the presentation ceremony.

We have embraced the 40th Year of Beavers.

We held a hike at Paradise Fields to visit the real beavers and see how they are shaping their environment. We saw what the beavers had eaten the trees and made their own dams.

None of these amazing opportunities could happen without the help of Beavers Leaders and other volunteers throughout the district. Thank you for giving up more of your time on top of your section nights and enriching the lives of the beavers.

It has been an honour to watch the beavers grow again this year and we're looking forward to the upcoming year and continuing to celebrate our 40th Birthday.
