

Cub Scouts Report 2026

First of all, I would like to say a massive thanks to all the District Cub leaders for another successful year of scouting in Greenford and District. You have done a fantastic job each week running a structured and a well-balanced programme for your cubs to enjoy week in week out. Also, many thanks to our other wonderful leaders and helpers from around the District in helping to run competitions and events for the cubs to enjoy.

Cub Photography Day was a great success with the cubs learning how to use a camera on either a tablet or phone correctly and creating their own slideshow to advertise SAC to the general public. Great fun was had by all.

Cub Trophy was held at SAC with packs completing bases on various scouting skills like first aid, inspection and law and promise. Well done to 2nd Northolt 'Viking' Cub pack on winning the competition.

Cub Football was won by 23rd Wembley at SAC. As a section we participated in the Remembrance Sunday parade with the Royal British Legion and cadets. The District Cub flag was carried by 23rd Wembley with 2nd Northolt 'Vikings' and 3rd Perivale supplying the flag escorts.

District Cub Christmas trip was a chilly day to Gulliver's World in Milton Keynes with around 60 cubs and leaders attending.

The Albert Thom trophy for 2025 was won by 2nd Northolt 'Vikings'. This trophy is awarded to the pack with the most points gained throughout the year for all competitions. During 2025 the competitions were: Quiz, Cross Country, Cub Trophy and Football. Well done!!

Cub Quiz was great fun again and won by 3rd Perivale. 'Did you know a hippo's sweat is actually pink? Me neither! Thanks to all the leaders who put together 7 rounds of questions.

We ended the year with Cross Country being won by 2nd Northolt 'Vikings' and our Presentation Afternoon which showed how great our cubs are and allowed us to celebrate their success. It was great to see so many of them achieving their Silver Chief Scout Award.

Katie Thorne

Programme Team Leader for Cub Scouts
